

Cookie Policy

Cookie Policy

Last updated in April 2022.

What are cookies?

“Cookies” are small text files, sent to your browser by a website you visit, that can be stored by your browser on the hard drive of your computer to enhance the use of the website. Cookies do not store your personal data. There are different types of cookies such as

- first party cookies by the website you visit and which can only be read by that website
- third party cookies by external service providers
- persistent cookies which are saved on the hard drive of your computer
- session cookies which are deleted automatically after closing your browser.

How do we use cookies?

We only use cookies for essential services of our website. We do not use cookies to track users' internet usage after leaving our website and we do not store personal information in them others could read and understand. We will not sell or distribute cookie information without your prior consent.

Which cookies do we use?

We use first party cookies which can only be read by

our website. These cookies are stored by your browser to “remember” whether you have accepted (or declined) the cookie policy of our website. We also use functional third party cookies for spam protection.
